Capel Rug - Capel Rugs - Capel Area Rugs Today, 80 years after stitching that first rug, Capel Rugs has become America's largest manufacturer and importer of area rugs. Capel Area Rugs Woven-Flatwoven Capel Rugs embodies an incredible diversity of handmade and machine-woven rugs. Thanks to modern technology, many of the classic Capel oriental rug designs are being preserved in beautiful machine woven reproductions from Europe. Capel's Hand Hooked Collection features an exciting array of designs. Hand knotted rugs from India and China display a devotion to quality, earning Capel its outstanding reputation as a source for only the finest Capel area rugs.
